Re: Pet Days at the Orange County Market Place

Dear prospective Pet Days participant.

We are excited to be hosting Pet Days at the Orange County Market Place on March 27 & 28, 2010 at the O.C. Fair and Event Center in Costa Mesa and you are invited! The Market Place routinely has 20,000 - 30,000 friends and families showing up each weekend for fun, shopping, food and special events such as Pet Days.

The purpose of Pet Days is to promote and share your organization with the thousands of guests, to strongly promote humane education, potential adoptions, sale of products, demonstrations and much more.

The OC Market Place requires that all animals participating are spayed / neutered and must not be aggressive. Safety and a pleasant experience is our top priority.

The Market Place reserves the right to refuse or dismiss any animal that demonstrates aggressive behavior.

Birds & Personal pets are not allowed on the premises of the O.C. Fair & Event Center or the OCMP.

We wish all participating organizations great success at the OC Market Place Pet Days.

Sincerely

Erik Lackey
Operations Manager
OCMP
